

### **Flytech in Forbes' Elite: "Asia's 200 Best Under a Billion"**

**Taipei, Taiwan** – *Dec.3, 2008* – Flytech Corp. (6206.TW), a world leader in Point-of-Service Hardware Provider, today announced being selected by the editors of Forbes Asia Magazine in its October 1st, 2008 issue as one of "Asia 200 Best Under a Billion" companies. Forbes Asia's annual "Best Under a Billion" draws among over 22,500 outfits the 200 most dynamic publicly traded companies with sales under a billion US Dollars. The selection highlights companies which prove to maintain growth and profitability over years and are able to continuously aim at larger sales through strong management and clear vision.

"We are very proud not only of being listed as one of Asia's most dynamic businesses, but also and especially of belonging to the 20% of companies being listed for the second year in a row," said Thaomas Lam, Chairman of Flytech. "We are committed to bringing the best in POS System to users worldwide, and will continue to maintain high standards of quality for both our products and our working methods."
